**THINGS TO LEAVE AT HOME**

Radios, Portable Video Games, Large knives, Large amounts of cash, Tennis Shoes

*We will provide all food for meals as well as the paper plates, cooking equipment, serving utensils.*

We are in a cabin but it is not heated above 60 degrees at night. Bring extra clothes as clothes tend to get wet playing in the snow. Pack supplies in a plastic bin (purchase at Target or Kmart). Everything should be packed in one bin except sleeping bag and pad. Winter sleeping bags are available for check out from the troop but advance notice must be given to Mike in order to reserve one.

It is VERY important to dress in layers. Layered clothing is the most efficient for keeping warm
